DESCRIPTION

The Treston TED818-41 is an electric height-adjustable industrial workbench with an 1800x800 mm worktop. Its quick, silent and stepless motor-driven height adjustment adapts the working height to different tasks and operators.

TECHNICAL DATA

- **Worktop (WxD):** 1800x800 mm
- **Height adjustment:** stepless 630 - 1270 mm via electric motor
- **Maximum load:** 200 kg
- **Frame colour:** RAL 7035 grey
- **Prepared for:** M1500 frame module

APPLICATION

Suitable for various industrial environments such as assembly, testing and packing. Prepared for the M1500 module, the bench can be expanded with Treston accessories into an ergonomic workstation.
