

## Protective Vice Jaws with Leather Covering, 125 mm Jaw Width, Magnetic, Pair - Bernstein 9-900-S5125

Item no. BS-9-900-S5125

Manufacturer Bernstein

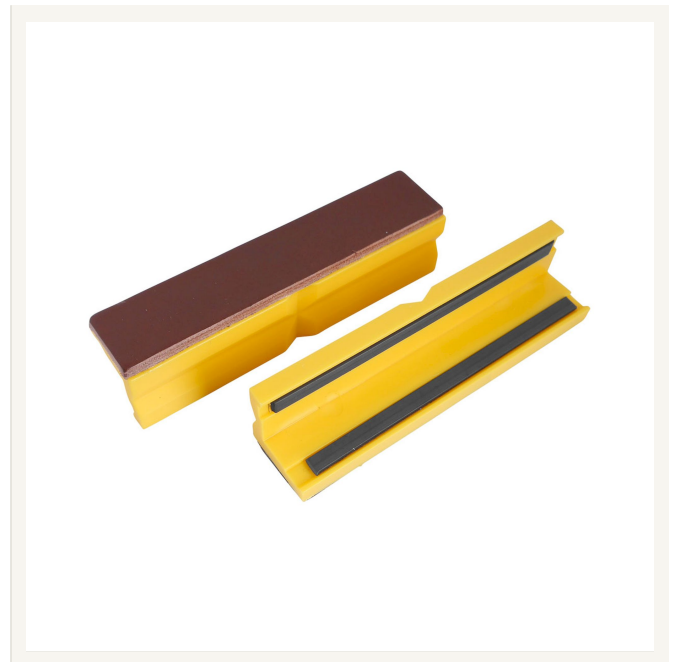

EAN 4250838515375

These protective vice jaws with a leather covering shield delicate workpieces from scratches at a 125 mm jaw width, while prisms and grooves on the reverse hold round and oval parts securely. The double magnetic strip keeps them firmly in place on steel jaws, for example on the SPANNFIX.

### TECHNICAL DATA

HS-Code 82057000

Weight 0.108 kg

### DESCRIPTION

To protect delicate workpieces in the vice, these protective jaws with a leather covering offer a 125 mm jaw width and sit firmly on any steel jaw thanks to a double magnetic strip.

### ADVANTAGES

- Double magnetic strip holds the protective jaws securely on vice jaws 125 mm wide
- Hard-wearing leather covering with good water-drop resistance for daily use
- Prisms and grooves on the reverse side reliably fix round and oval workpieces
- Smooth front side protects scratch-sensitive surfaces from damage
- Compact material thickness of 10 mm at only 108 g weight per pair

### TECHNICAL DATA

| Feature           | Value                                                             |
|-------------------|-------------------------------------------------------------------|
| Suitable for      | Vice, jaw width 125 mm                                            |
