- content: article listing see below
- on practical tool holder
- with dissipative coating
- for hanging or putting up
- made of sturdy 1.5 mm sheet steel
- with pliers of the EUROline
- tools always handy and clearly stowed
- tools and holders dissipative
- measures 150 x 190 x 80 mm
- weight 750 g

AREA OF APPLICATION

These four EUROline pliers are equipped with ergonomically shaped, two-colour hand protection sleeves. The finely polished and high-gloss burnished surface and the inserted knuckle guarantee a long service life with good care. The very narrow pliers heads are ideal for working on filigree components.

TECHNICAL DESCRIPTION

The practical VARIO tool holder is made of sturdy 1.5 mm sheet steel and has a high-quality dissipative black powder coating. In addition to pliers and tweezers, our handy screwdrivers or round objects with a maximum diameter of 9 mm can also be stored. The recess in the lower area allows the blades or tips of the tools to be quickly identified and selected. The locking aid at the rear edge additionally helps to hold each tool in position. Small noses on the upper edge of the suspension rail prevent pliers or tweezers from slipping down. The tool holder can be set up as well as hung. Two holes on the back allow easy mounting on the wall.

CONTENT
