

Wood Screwdriver Set Slotted, Pozidriv 6-pcs. with Sealed Beech Wood Handle - Wiha 07150

Item no. WH-07150

Manufacturer Wiha

EAN 4010995071509

The Wiha 6-piece wood screwdriver set combines slotted and Pozidriv types for all applications in woodworking and the furniture industry. The sealed beech wood handle with high-quality leather cap at the end ensures a secure grip and long service life. From blade width 5.5 mm the blade extends through the handle, with anti-cam-out ribs and hex bolster for higher torque.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	82054000
Weight	0.563 kg

DESCRIPTION

Six matched screwdrivers in one set cover the most common requirements in woodworking and furniture manufacturing. The sealed beech wood handle with leather cap at the end protects the grip and provides pleasant tactile feedback. The chrome-vanadium steel blades are through hardened and nickel-plated.
