## DESCRIPTION

The Wiha 369HZ8 Classic covers the most common inch hex sizes from 5/64 to 5/16 in., stored in an organized Classic holder. Through-hardened chrome-vanadium steel with a black oxidised finish provides corrosion protection and a professional appearance. The ball end maintains positive drive at up to 25° offset.

## Benefits

- 8 inch L-keys 5/64 to 5/16 in. - comprehensive inch set in one holder
- Classic holder with stop point - organized storage, quick size selection
- Ball end for up to 25° offset - handles hard-to-reach inch screws

- Through-hardened CrV steel, black oxidised - corrosion resistant, low-glare surface
- 221 x 84 x 14 mm - compact for daily professional use
