

Tool Set Service Technician, 30 pcs incl. bag, VDE 1000 V - Wiha 43879

Item no. WH-43879

Manufacturer Wiha

EAN 4010995438791

The Wiha Tool Set Service Technician brings together 30 hand tools for electrical and electronic maintenance of machines and components up to 1,000 V AC. The combination bag features a dedicated tool compartment and a separate laptop/office section, and the two can be used independently. All insulated tools are individually tested to IEC 60900.

TECHNICAL DATA

Ausführungsklasse	TEC
Certification	IEC 60900
Country of Manufacture	Germany
HS-Code	82060000
Weight	5.88 kg

STANDARDS & COMPLIANCE

IEC 60900

DESCRIPTION

Service technicians working in the field need tools they can trust and a bag that keeps everything in order. This Wiha 30-piece set addresses both: a combination bag that joins a tool compartment with a laptop/office section, yet splits apart for separate use. The tool selection covers the most frequent tasks in electrical and electronic service - SoftFinish® electric slimFix screwdrivers with slim blades for recessed screws, Professional electric pliers with DynamicJoint® technology, stripping tools, and a single-pole voltage tester. Every insulated tool is individually tested to IEC 60900, certified for work on live parts up to 1,000 V AC.

BENEFITS

- 30-piece selection covering the most common electrical maintenance tasks
- Individual piece testing to IEC 60900 - rated for live work up to 1,000 V AC
- SoftFinish® electric slimFix screwdrivers with slim blade reach low-lying screws and spring elements
- DynamicJoint® diagonal cutters for efficient hand-force transmission
- Combination bag with detachable tool section and separate laptop/office compartment (585 x 380 x 245 mm)

TECHNICAL DATA

- Contents: 6x SoftFinish® electric slimFix screwdrivers (slotted, Phillips, Pozidriv), 6x PicoFinish® fine screwdrivers, switch cabinet key, L-key set 9-pcs., 2x Professional electric pliers, 2x Electronic pliers, automatic stripping tool, stripping tool for round cables, single-pole voltage tester SoftFinish®, tool bag
- Bag dimensions: 585 x 380 x 245 mm (L x W x D)
- Standard: IEC 60900

APPLICATIONS

Electrical and electronic maintenance of machines and components. Suitable for service work on live parts up to 1,000 V AC.

Country of origin: Germany. HS code: 82060000. Tested to IEC 60900.
