

slimBit box empty for 6 slimBits, VDE-tested - Wiha 43163

Item no. WH-43163

Manufacturer Wiha

EAN 4010995431631

The empty Wiha slimBit box holds up to 6 insulated slimBits and provides a clear view of all screw profiles through its transparent design. Tested to IEC 60900 and suitable for organised storage of slimBits for use on live parts up to 1,000 V AC. Not compatible with bits with 1/4" drive.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	82079030
Weight	0.095 kg

STANDARDS & COMPLIANCE

IEC 60900

DESCRIPTION

The Wiha slimBit box is the replacement and expansion solution for users of the slimBit electric range. It holds 6 slimBits and provides an optimum view of the contained screw profiles through its transparent construction. Tested to IEC 60900 for the safe storage of insulated slimBits rated for work up to 1,000 V AC.

BENEFITS

- Space-saving: holds 6 slimBits in a 187 x 112 x 15 mm footprint
- Transparent construction for clear identification of all screw profiles
- Fast bit removal thanks to the ergonomic quick-access design
- Tested to IEC 60900 for use with bits rated up to 1,000 V AC
- Combinable and expandable with additional slimBit boxes and the belt holster

TECHNICAL DATA

- Contents: 1 x empty slimBit box
- Capacity: 6 slimBits (6 mm slimBits)
- Dimensions: 187 x 112 x 15 mm (LxWxD)
- Standard: IEC 60900

- Not suitable for bits with 1/4" drive

APPLICATIONS

For organised, safe storage of Wiha slimBits electric for mobile use, and as a replacement box when the original is damaged or lost. Combinable with the Wiha belt holster for slimBit boxes.

Made in Germany. HS commodity code: 82079030. Tested to IEC 60900.
