DESCRIPTION

The Treston Concept table top TT20060-LPL is a double-sided melamine-coated worktop (LPL) measuring 2000 x 600 mm for the Treston Concept bench system. It provides a durable, easy-to-clean surface for demanding industrial and commercial work environments.

FEATURES

- **Width x depth:** 2000 x 600 mm
- **Surface:** double-sided melamine-coated (LPL)
- **System:** Treston Concept

BENEFITS

- Tough, abrasion-resistant laminate surface
- Easy to clean and resistant to common soiling
- Double-sided coating for long service life

APPLICATION

Suitable as a work surface for assembly, testing and packing stations built on the Treston Concept bench frame.
