DESCRIPTION

The Treston Concept table top TT20090-HPL is a worktop with high-pressure laminate (HPL) measuring 2000 x 900 mm for the Treston Concept bench system. The HPL surface offers high resistance to mechanical and chemical stress.

FEATURES

- **Width x depth:** 2000 x 900 mm
- **Surface:** high-pressure laminate (HPL)
- **Weight:** 28.4 kg
- **System:** Treston Concept

BENEFITS

- High resistance to abrasion, heat and chemicals
- Hard-wearing, easy-to-clean surface
- Precise fit for the Treston Concept bench system

APPLICATION

Suitable as a rugged work surface for assembly, testing and packing stations with increased demands on surface durability.
