Country of Manufacture **Finland**HS-Code **73269098**Weight **0.09 kg**

DESCRIPTION

The Treston V-14 is a cross divider for internally subdividing storage bins. It creates clearly separated compartments and brings order to the storage of small parts.

FEATURES

- Cross-mounted divider
- Fits 1525 storage bins
- Maximum of 1 per bin
- Tool-free installation

USE

Ideal for keeping screws, small parts and standard components clearly separated in workshop, warehouse and assembly settings.
