

WB workbench ESD with cable tray, 1800x800 mm, electrically height-adjustable - Treston WB818 EL ESD

Item no. TR-WB818 EL ESD

Manufacturer Treston

Electrically height-adjustable WB workbench in ESD construction with integrated cable tray. The electric motor sets the height steplessly from 700 to 1100 mm. Rated up to 200 kg and dissipative for electronics manufacturing.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Country of Manufacture	Finland
HS-Code	94032080
Weight	65 kg

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The Treston WB818 EL ESD combines convenient electric height adjustment with dissipative ESD protection. This makes it especially suitable for workstations that handle electrostatically sensitive components while demanding high ergonomic standards.

TECHNICAL DATA

Feature	Value
Width x depth	1800 x 800 mm
Height adjustment	electric motor, 700 to 1100 mm
Load capacity	max. 200 kg
ESD	yes, dissipative
Accessory	cable tray included

APPLICATIONS

Ideal for ESD-protected areas in electronics manufacturing, repair and inspection where operators

change and ergonomic working is required.
