### STANDARDS & COMPLIANCE

ESD safe EN 61340-5-1

### DESCRIPTION

The Reeco Classic table frame is the stable base for modular ESD workstations in electronics manufacturing, laboratories and industry. The design adapts to the operator, the task (seated or standing) and changing requirements.

Height is set steplessly via an internal guide rail and locked with 2 screws per leg. Leveling feet compensate for uneven floors.

#### Technical data:

- Maximum load capacity: 300 kg
- Height adjustment: 670 - 1120 mm (stepless, manual)
- Locking: 2 screws per leg
- Material: powder-coated steel, RAL 9003 (signal white)
- Frame size: 1000 x 600 mm
- Leveling feet: yes
- ESD compliant per EN 61340-5-1

Combines freely with matching ESD worktops (RF-004 / RF-005) and superstructure. 5-year manufacturer warranty.
