

Dummy tip and end cap, orange, for all syringe barrel sizes - Nordson EFD 7017976

Item no. WL11677

Manufacturer Nordson EFD

This orange dummy tip seals the barrel tip and shields light-sensitive material through its built-in UV block. The Luer Lock thread fits every syringe barrel from 3 to 55 cm³. It keeps opened material sealed and usable between dispensing runs.

TECHNICAL DATA

Weight

0.1 kg

DESCRIPTION

The dummy tip acts as an end cap for the syringe barrel tip, keeping opened material sealed between runs while the UV block protects light-sensitive fluids.

- Luer Lock thread fits all sizes 3, 5, 10, 30 and 55 cm³
- Orange and opaque with UV block for light-sensitive materials
- Tight seal prevents skinning and curing inside the barrel
