

Manual dispensing gun for 30 cm³ syringe barrels, all-metal - Nordson EFD 7023134

Item no. WL11772

Manufacturer Nordson EFD

The DG30 manual dispensing gun applies high-viscosity adhesives and sealants from 30 cm³ barrels with precision. The all-metal body handles sustained hand pressure. Ideal for manual dispensing at the bench.

TECHNICAL DATA

Weight	0.1 kg
--------	--------

DESCRIPTION

The DG30 manual dispensing gun applies high-viscosity media from 30 cm³ disposable syringe barrels under controlled hand pressure without tools.

- All-metal body withstands firm hand pressure on stiff media
- Holds 30 cm³ syringe barrels (not included)
- Manual trigger suits single-point and repair work
