

Bahco 2666 FK. Electronics side cutter, Ultra, 112.5 mm

Item no. WL15688

Manufacturer Bahco

Electronics side cutter, Ultra, 112.5 mm

TECHNICAL DATA

Weight

0.1 kg

DESCRIPTION

- Material: High performance steel alloy
- High gloss polished
- Individually controlled machine grinding guarantees cutting angle accuracy; increases resistance and durability
- Precision induction hardened cutting edges 63-65 Hrc
- Connecting screw that minimizes friction and increases cutting accuracy
- Synthetic handles with opening spring
- Max. cutting capacity: copper wire

PRODUCT DETAILS

item number	WL15688
model	2666FK
manufacturer	BAHCO
manufacturer item number	2666 FK
length	112.5 mm
order unit	piece
head width	12.5 mm
VDE	no

Cut form	without bevel
ESD safe	no
tool length	112.5 mm
type of side cutter	side cutter
