

Bahco 5541 AM. SMD tweezers, stainless steel, for vertical positioning, 120 mm

Item no. WL15786

Manufacturer Bahco

SMD tweezers, stainless steel, for vertical positioning, 120 mm

TECHNICAL DATA

Colour Stainless Steel

Weight 0.1 kg

DESCRIPTION

- Tweezers for vertical positioning of components in SOT packages
- Material: stainless steel, antimagnetic, acid-resistant
- Finish: micro-matt, anti-glare

PRODUCT DETAILS

item number	WL15786
model	5541AM
manufacturer	BAHCO
manufacturer item number	5541 AM
width	10 mm
order unit	piece
VDE	no
ESD safe	no
tool material	stainless steel
packaging mass	piece
tool length	120 mm
tweezers type	SMD tweezers
