

Bahco 5546 AM. SMD tweezers, stainless steel, with grooved tips, 120 mm

Item no. WL15791

Manufacturer Bahco

SMD tweezers, stainless steel, with grooved tips, 120 mm

TECHNICAL DATA

Colour **Stainless Steel**

Weight **0.1 kg**

DESCRIPTION

- Tweezers with grooved tips for positioning and soldering of chip resistors up to 1 mm width
- Material: stainless steel, antimagnetic, acid-resistant
- Finish: micro-matt, anti-glare

PRODUCT DETAILS

item number	WL15791
model	5546AM
manufacturer	BAHCO
manufacturer item number	5546 AM
width	10 mm
order unit	piece
tip shape	grooved
ESD safe	no
VDE	no
packaging mass	piece
tool material	stainless steel
tool length	120 mm
