HS-Code	85159080900
Weight	0.1 kg

DESCRIPTION

The JBC glass tube is the replacement collection tube for the desoldering irons DR5570, DR5600 and DR5650. It collects the extracted solder and keeps the suction channel clear, so desoldering performance stays stable over the service life.

Benefits

- Exact replacement for DR5570, DR5600 and DR5650
- Transparent glass tube for visual fill-level check
- Keeps the suction channel clear for consistent suction
- Easy to swap as a plain wear part
