

Heating element 50 W / 24 V for WTA50 desoldering tweezers - Weller T0058749703N

Item no. WL18572

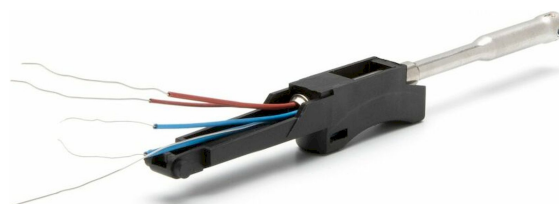

Manufacturer Weller

Original Weller replacement heating element (50 W, 24 V) for the WTA50 desoldering tweezers. Restores full heating power to both arms when an element is worn.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **85159080900**

Weight **0.1 kg**

DESCRIPTION

The T0058749703N heating element is the original Weller spare part for the WTA50 desoldering tweezers. A weakening or failed element causes low or uneven temperature at the tweezer arms. The exact-fit 50 W element restores full heating performance.

BENEFITS

- Original Weller fit for the WTA50
- 50 W at 24 V low voltage for fast heat-up
- Restores even temperature across both arms
