

Stainless Steel Lid for RK/DT/DL 1028 - Bandelin Sonorex D 1028

Item no. BND-3011

Manufacturer Bandelin

Stainless steel lid for the 1028 ultrasonic baths. It keeps the bath fluid clean, dampens operating noise and returns condensation back into the tank.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	84799080
Weight	2.605 kg

DESCRIPTION

The D 1028 stainless steel lid covers the oscillating tank when the ultrasonic bath is not in use. The bath fluid stays free of dust and dirt, odours from the added cleaning and disinfecting agents are held back, and operating noise is noticeably reduced.

BENEFITS

- Protects the bath fluid against contamination from outside
- Holds back odours from cleaning and disinfecting agents
- Dampens operating noise
- Returns condensation back into the tank
- Corrosion-resistant stainless steel, easy to clean

TECHNICAL DATA

Order no.	3011
Tank material	Stainless steel
Weight	2.605 kg

APPLICATIONS

The lid is placed on the tank between cleaning cycles or while heating the bath fluid. In workshops,

labs and practices it keeps the bath clean and reduces evaporation of the cleaning medium.

Fits the ultrasonic baths RK 1028/H, DT 1028/H and DL 1028 H.
