

Filter mat F7 in change frame for LRA 400 - ULT 02.0.032

Item no. WL20583

Manufacturer ULT

This F7 class filter mat comes already mounted in its change frame, so the whole unit is swapped without cutting or fitting fleece by hand. It is intended for the ULT LRA 400-0, LRA 400-1 and LRA 400-2 extraction units. Supplied as a complete set.

TECHNICAL DATA

Weight 0.1 kg

DESCRIPTION

Most of the time spent on a mat change goes into laying in and tensioning the fleece. This ULT F7 filter mat is pre-assembled in a change frame and is replaced as one block on LRA 400 series units.

BENEFITS

- Filter class F7 as the pre-stage ahead of the HEPA filter
- Ready mounted in the change frame, replaced in one movement
- For the LRA 400-0, LRA 400-1 and LRA 400-2 extraction units
- Flat seating in the frame keeps the volume flow stable
- Supplied as a set

TECHNICAL DATA

Item no.	WL20583
Model	02.0.032
Manufacturer	ULT
Manufacturer item no.	02.0.032
Order unit	set
Filter type	prefilter
Filter class	F7
Design	in change frame
Device series	LRA 400

APPLICATIONS

Solder fume and dust extraction at benches running ULT LRA 400 series units, for instance in assembly production, prototype shops and repair workshops.

COMPATIBILITY AND SCOPE OF DELIVERY

Fits the ULT LRA 400-0, LRA 400-1 and LRA 400-2 extraction units. Supplied as one set consisting of the F7 filter mat in its change frame.
