Item no. WL22219

Manufacturer Eschenbach

Illuminated stand magnifier, System varioPLUS asphär. 10x, A, 38 dpt., D=35 mm

TECHNICAL DATA

Weight

0.1 kg

DESCRIPTION

The illuminated stand magnifier system varioPLUS is particularly suitable for reading over a longer period of time and when a magnifying glass cannot be kept free.

- The magnification/dioptre value/ideal application distance eye-lens is indicated on all magnifier heads
- Bright, homogeneous illumination of the reading material due to the bright material of the all-round closed magnifier pots
- Aspherical PXM® lightweight lens, cera-tec®, coated for sharp, distortion-free imaging
- For a more comfortable reading posture, Eschenbach recommends use with a reading desk (Item No. 1605)
