

Stainless Steel Lid for RK/DT 1028 C with K 28 C - Bandelin Sonorex D 1028 C

Item no. BND-3012

Manufacturer Bandelin

Stainless steel lid for the 1028 C ultrasonic baths with K 28 C insert basket. It keeps the bath fluid clean, dampens operating noise and returns condensation back into the tank.

TECHNICAL DATA

Ausführungs-kategorie TEC

Country of Manufacture Germany

HS-Code 84799080

Weight 2.765 kg

DESCRIPTION

The D 1028 C stainless steel lid covers the oscillating tank of the C models and is matched to operation with the K 28 C insert basket. With the lid in place, the bath fluid stays free of dust and dirt, odours from the cleaning and disinfecting agents are held back, and operating noise is noticeably reduced.

BENEFITS

- Protects the bath fluid against contamination from outside
- Matched to operation with the K 28 C insert basket
- Holds back odours from cleaning and disinfecting agents
- Dampens operating noise
- Returns condensation back into the tank

TECHNICAL DATA

Order no. 3012

Tank material Stainless steel

Weight 2.765 kg

APPLICATIONS

The lid is placed on the tank between cleaning cycles or while heating the bath fluid. In workshops, labs and practices it keeps the bath clean and reduces evaporation of the cleaning medium.

Fits the ultrasonic baths RK 1028 C/CH and DT 1028 CH when used with the K 28 C insert basket.
