

Upgrade kit soldering tweezers MX-PTZ with MX-W4PT stand for MX-5000 and MX-5200 - Metcal MX-UK4

Item no. WL24463

Manufacturer Metcal

Retrofit set that adds a tweezer channel to an existing MX-5000 or MX-5200 station. It contains the MX-PTZ precision soldering tweezers and the MX-W4PT TipSaver work stand. PTTC series cartridges are not part of the delivery and are chosen to suit the component size.

TECHNICAL DATA

Weight 0.1 kg

DESCRIPTION

If an existing MX station should also handle dual sided heating, the MX-UK4 adds the complete tweezer workplace: handpiece and matching stand arrive as one coordinated set.

BENEFITS

- Complete tweezer channel for existing MX-5000 and MX-5200 systems
- Contains the MX-PTZ precision soldering tweezers with adjustable tip orientation
- MX-W4PT TipSaver work stand as a safe rest between operations
- Takes PTTC cartridges so the tip shape can be chosen per component
- Upgrade without any modification to the existing power unit

TECHNICAL DATA

Item no.	WL24463
Model	MX-UK4
Manufacturer	Metcal
Manufacturer item no.	MX-UK4
Order unit	Piece
Handpiece type	Soldering tweezers
Compatible handpiece	MX-PTZ, MX-W4PT work stand

APPLICATIONS

Extending a soldering bench with dual sided heating of chip and SOIC parts, rework on densely populated assemblies and repair work in laboratory and service departments.

COMPATIBILITY AND SCOPE OF DELIVERY

The kit suits the Metcal MX-5000 and MX-5200 power units. Scope of delivery: MX-PTZ soldering tweezers and MX-W4PT TipSaver work stand. Tips and cartridges are not included.
