Colour	Transparent
Norm	IEC 61340-5-1
Sales unit	VPE 100 Stück
Weight	0.1 kg

STANDARDS & COMPLIANCE

ESD safe DIN EN 61340-5-1

DESCRIPTION

Anyone filing or handing over documents inside an ESD protected area (EPA) needs a sleeve that does not itself become a source of charge. This DIN A4 document sleeve is permanently dissipative and keeps paperwork clean and protected.

BENEFITS

- Permanently dissipative, with no loss of effect over time
- One side open with a punched margin for ring binders
- Grained surface, easy to grip and low glare
- Standard ESD marking for clear identification

TECHNICAL DATA

- Format: DIN A4
- Opening: 1 side open, with punched margin
- Surface: grained
- Colour: clear/transparent
- Selling unit: pack of 100

- Property: dissipative, recyclable

APPLICATION

For work instructions, delivery notes and test records at the ESD workstation, in production and at goods receipt.

STANDARDS

Meets the requirements of DIN EN 61340-5-1.
