

Column Mount for Incident Lights, Ø 25 mm - Starlight 100-004778

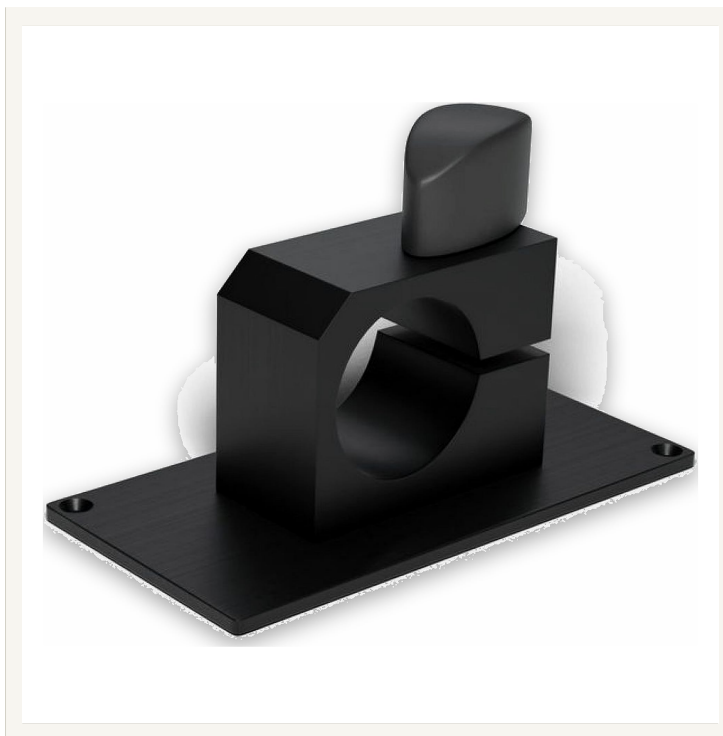

Item no. STL-100-004778

Manufacturer Starlight

Column mount for attaching incident lights to columns with a 25 mm diameter. Secure, stable hold on the microscope stand.

TECHNICAL DATA

Weight 0.1 kg

DESCRIPTION

The column mount securely holds Starlight incident lights on columns with a 25 mm diameter, ensuring a stable fit on the stand.

BENEFITS

- Fits columns with Ø 25 mm
- Stable, secure clamping
- Quick mounting of the incident light
- Robust design for continuous use

TECHNICAL DATA

Type	Column mount
Column diameter	Ø 25 mm
For	Incident lights
Model	100-004778
Manufacturer	STARLIGHT
Manufacturer part no.	100-004778
ESD safe	no

APPLICATIONS

For mounting incident lights on microscope and inspection columns with a 25 mm diameter.
