

2D barcode scanner for Metriso 3000 - Warmbier WL28196

Item no. WL28196 **Manufacturer** Warmbier
Manufacturer no. 7100.3000.SC.2D

2D barcode scanner for the Metriso 3000. It captures measuring and test points by barcode and speeds up the documented ESD qualification of workplaces.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Norm	IEC 61340-5-1
Sales unit	1 Stück
Weight	0.1 kg

STANDARDS & COMPLIANCE

ESD safe IEC 61340-5-1

DESCRIPTION

2D barcode scanner as an accessory for the Warmbier Metriso 3000. It assigns measurements to their test points via barcode and simplifies complete documentation.

Benefits

- Fast, error-free assignment of measuring points by barcode
- Speeds up recurring ESD audits across many test points
- Used directly with the Metriso 3000

Technical data

- Type: 2D barcode scanner
- Compatible with: Metriso 3000
- Selling unit: 1 piece

Application

Documented ESD qualification and recurring audits to IEC 61340-5-1.
