

## PDN pliers for changing DX, XDS and XDSL suction nozzles - Weller PDN

Item no. WL28962

Manufacturer Weller

ESD-safe desoldering nozzle pliers for simple, safe and fast changing of DX, XDS and XDSL suction nozzles, without risk of damaging the soldering tool.

### TECHNICAL DATA

|                        |                  |
|------------------------|------------------|
| Ausführungsklasse      | ESD (antistatic) |
| Country of Manufacture | Germany          |
| HS-Code                | 85159080900      |
| Weight                 | 0.1 kg           |

### STANDARDS & COMPLIANCE

ESD safe IEC 61340-5-1

### DESCRIPTION

The PDN desoldering nozzle pliers allow simple, safe and fast replacement of Weller suction nozzles in the DX, XDS and XDSL series. The specially designed handle part protects the soldering tool from damage during the nozzle change.

### BENEFITS

- Simple, safe and fast replacement of desoldering nozzles
- Specially designed handle part protects the soldering tool from damage
- ESD-safe softgrip material suitable for all ESD workstations
- Leaf-spring-supported, positively guided pliers opening for safe enclosing and professional nozzle change
- Ergonomic design for safe handling
