

Microscope Head - KERN OBB-A1578

Item no. KER-OBB-A1578

Manufacturer Kern

EAN 4045761246461

The KERN OBB-A1578 is a binocular microscope tube in butterfly design with a 30° viewing angle. The interpupillary distance adjusts from 50 to 75 mm for fatigue-free observation.

TECHNICAL DATA

Country of Manufacture	China
HS-Code	90119000
Weight	2 kg

DESCRIPTION

The KERN OBB-A1578 microscope tube is a binocular butterfly tube offering an ergonomic 30° viewing angle and an adjustable interpupillary distance.

BENEFITS

- **Ergonomic viewing:** the 30° inclination eases neck and back strain during longer sessions
- **Adjustable interpupillary distance:** continuously adjustable from 50 to 75 mm
- **Binocular observation:** butterfly design for a compact, torsionally stiff build

TECHNICAL DATA

- **Tube type:** Binocular
- **Design:** butterfly
- **Viewing angle:** 30°
- **Interpupillary distance:** 50 - 75 mm
- **Net weight:** 1,4 kg
