

Objective 5x - KERN OBB-A1593

Item no. KER-OBB-A1593

Manufacturer Kern

EAN 4045761249370

The KERN OBB-A1593 is a PH-Plan infinity objective with 5x magnification. The plan optics keep the field flat and sharp to the edge, and the PH design suits phase contrast.

TECHNICAL DATA

Country of Manufacture	China
HS-Code	90119000
Weight	0.6 kg

DESCRIPTION

The KERN OBB-A1593 objective magnifies 5x and, as a PH-Plan infinity optic, delivers a flat, edge-to-edge sharp image that also suits phase contrast.

BENEFITS

- **Flat field:** plan optics keep the field of view sharp to the edge
- **Phase contrast:** PH design for high-contrast imaging of unstained samples
- **Infinity optics:** infinity-corrected objective with 5x magnification

TECHNICAL DATA

- **Magnification:** 5x
- **Optics:** infinity PH-Plan
- **Series:** OBB-AO
- **Net weight:** 0,30 kg
