

Stereo Microscope Stand - KERN OZB-A5213

Item no. KER-OZB-A5213

Manufacturer Kern

EAN 4045761179295

The KERN OZB-A5213 is a universal PREMIUM-line stand for stereo microscopes from the KERN modular system. The ball-bearing double arm guides the microscope head smoothly across a large working area and stays wherever you release it. The table clamp fixes the stand to the desk edge and keeps the work surface clear.

TECHNICAL DATA

Country of Manufacture	China
HS-Code	90119000
Weight	11 kg

DESCRIPTION

Anyone moving a stereo microscope over changing samples needs a stand that positions head and illumination freely. The KERN OZB-A5213 from the PREMIUM line is part of the KERN modular system and pairs with microscope heads and external illumination units to match your application.

BENEFITS

- **Modular system:** freely combined with KERN microscope heads and illumination.
- **Arm guidance:** The ball-bearing double arm guides the microscope head smoothly across a large working area and stays wherever you release it.
- **Mounting:** The table clamp fixes the stand to the desk edge and keeps the work surface clear.
- **Flexible work:** suited to a wide range of samples in lab, workshop and quality control.

TECHNICAL DATA

- **Series:** OZB-UP
- **Stand type:** Universal (ball-bearing double arm with table clamp)
- **Net weight approx.:** 9 kg
- **Gross weight approx.:** 11 kg
