

Foot Switch with 2 Pedals for Remote Camera Control - Inspectis HD-027

Item no. HD-027

Manufacturer Inspectis

Industrial two-pedal foot switch for the Inspectis HD-020 remote control. It connects to the rear panel of the console and works in parallel with the plus and minus buttons, keeping both hands free for handling parts and capturing images.

TECHNICAL DATA

 Country of Manufacture **Sweden**

 HS-Code **84798997**

 Weight **1.2 kg**

DESCRIPTION

The HD-027 keeps both hands free during inspection: two rugged pedals operate the control while the user positions the part or captures an image.

KEY BENEFITS

- Two industrial-grade pedals for reliable foot operation
- Connects to the rear panel of the HD-020 console
- Works in parallel with the remote's plus and minus buttons
- Hands stay free for part handling and image capture

TECHNICAL SPECIFICATIONS
