TECHNICAL DATA

Size	M
Weight	0.1 kg

DESCRIPTION

- up to 600lm luminous flux at the fibre output diam. 9mm infinitely electrically dimmable
- LCD display for brightness in % or colour temperature in K or operating hours
- incl. halogen reflector lamp 15V 150W
- Lifetime approx. 150h at 80%=approx. 450lm
- Clamping diam. 10mm with sensor for fibre optics 1500
- Filter slider for one filter d=28mm and free passage
- max. 180VA wide voltage power supply for flicker-free light
- silent axial fan, - country-specific power cable

PRODUCT DETAILS

item number	WL34883
model	CL 1500 HAL
manufacturer	ZEISS
manufacturer item number	55244
order unit	piece
luminous flux	600 lm
Lamp or magnifier type	Cold light source
ESD safe	no
