

Cleanroom coverall with hood and feet, white, size XXL

Item no. WL36421**Manufacturer A1-ESD**

One-piece cleanroom coverall with attached hood and feet for low-particle production. Elastic cuffs at sleeves and waist plus a full-length zip ensure a secure fit and quick donning.

TECHNICAL DATA

Colour	White
Geschlecht	Unisex
Sales unit	20er Pack
Size	XXL
Weight	0.1 kg

DESCRIPTION

The cleanroom coverall fully encloses clothing and skin, reducing the particle load the wearer releases into controlled production areas. The hood and feet are attached, covering head and legs without extra parts.

BENEFITS

- Attached hood and feet for complete coverage
- Elastic cuffs at sleeve ends and waist for a secure fit
- Full-length zip for fast donning and removal

TECHNICAL DATA

- Size: XXL
- Colour: White
- Version: with hood and feet
- Selling unit: 20 pieces

APPLICATION

Suitable for cleanroom and assembly areas that require a low particle release from personnel, such as electronics, optics and precision-mechanics manufacturing.
