

Brass cleaning braid 12 g, pack of 10 - Thermaltronics BC-10

Item no. WL37490

Manufacturer Thermaltronics

Brass braid for dry cleaning of hot soldering tips, 12 g each. Removes oxide and solder residue without cooling the tip. Pack of 10 for continuous bench use.

TECHNICAL DATA

Ausführungsklasse **ESD (antistatic)**

Country of Manufacture **United States**

HS-Code **85159080900**

Weight **0.1 kg**

10 PACK

DESCRIPTION

The Thermaltronics BC-10 keeps soldering tips clean without a wet sponge: the tip is dipped briefly into the dry brass braid, which lifts off oxide and old solder while keeping the working temperature stable. Each cassette holds 12 g of brass braid, supplied as a pack of 10.

BENEFITS

- Dry cleaning with no thermal shock for longer tip life
- 12 g of brass braid per unit, 10 pieces per pack
- Fits all Thermaltronics and Metcal MX handpieces

APPLICATIONS

- Tip cleaning in continuous lead-free soldering
- Electronics manufacturing, rework and repair

COMPATIBILITY AND SCOPE OF SUPPLY

- 10 brass cleaning braids, 12 g each
- For Thermaltronics and Metcal MX soldering systems
