

# Cleaning tool for desoldering guns - Thermaltronics DS-TCT-1

Item no. WL37541

Manufacturer Thermaltronics

Cleaning tool that keeps the heating and suction channel of the Thermaltronics DS-GUN-1 desoldering gun and the DS-KIT-1 to DS-KIT-3 kits clear of solder residue, maintaining consistent suction performance.

## TECHNICAL DATA

|                        |                  |
|------------------------|------------------|
| Ausführungsklasse      | ESD (antistatic) |
| Country of Manufacture | United States    |
| HS-Code                | 85159080900      |
| Weight                 | 0.1 kg           |

## DESCRIPTION

The DS-TCT-1 cleaning tool keeps the suction and heating channel of Thermaltronics desoldering guns free of solidified solder and flux residue, ensuring even suction during desoldering.

## BENEFITS

- Clears solder residue from the gun suction channel
- Maintains full suction power and prevents clogging
- Direct replacement for Metcal article no. AC-TC-P

## TECHNICAL DATA

|                          |                  |
|--------------------------|------------------|
| Manufacturer article no. | DS-TCT-1         |
| Dimensions (LxWxH)       | 130 x 30 x 10 mm |
| Replaces                 | Metcal AC-TC-P   |
| Order unit               | 1 piece          |

## COMPATIBILITY

Suitable for DS-GUN-1, MX-DS1, MX-D001 and the DS-KIT-1, DS-KIT-2 and DS-KIT-3 kits.
