

Activated carbon sleeve for motor filter, ESD vacuum 888 - A1-ESD WL41138

Item no. WL41138

Manufacturer A1-ESD

Activated carbon sleeve (MT-852) for the motor filter of the series 888 ESD vacuum cleaner. Binds odours and completes the appliance filter system.

TECHNICAL DATA

Sales unit	1 Stück
Weight	0.1 kg

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The MT-852 activated carbon sleeve completes the filter system of the series 888 ESD vacuum cleaner and binds odours in the exhaust air. It slips over the motor filter and is a regularly replaced wear part.

YOUR BENEFITS

- Exact-fit activated carbon sleeve for the series 888 motor filter
- Reduces odours in the exhaust air
- Replaced quickly without tools
