

PVC floor ramp for 7 mm tiles, grey (RAL 7015), 500 x 70 mm - Ecotile WL41893

Item no. WL41893

Manufacturer Ecotile

Grey PVC floor ramp (RAL 7015) as a straight edge finish for the 7 mm Ecotile floor tiles, 500 x 70 mm. The 7 mm to 1 mm taper creates a safe transition at tile edges. Supplied as a single piece.

TECHNICAL DATA

Colour	Grey
Country of Manufacture	United Kingdom
Depth	70
Height	7
Sales unit	1 Stück
Weight	0.1 kg
Width	500

DESCRIPTION

The Ecotile floor ramp finishes the exposed edges of a 7 mm tiled floor along straight runs and creates a low transition from the floor down to the subfloor. The ramp clips onto the tiles and needs no adhesive.

BENEFITS

- Safe transition from 7 mm to 1 mm, reduces trip edges
- Clip on ramp section, fast fitting without adhesive
- For straight edge runs of the 7 mm tile system
- Trafficable by pallet and fork lift trucks

TECHNICAL DATA

- Material: PVC
- Size: 500 x 70 mm
- Height: tapers from 7 mm to 1 mm
- Colour: grey (RAL 7015)
- Type: floor ramp (straight)
- Selling unit: 1 piece

APPLICATION

Accessory for Ecotile 7 mm floor tiles. Combines with the corner ramps for a continuous edge finish.
