

Universal centrifuge Process Mate 5000, for 3-30 cm³ cartridges - Nordson EFD 7015542

Item no. WL42868

Manufacturer Nordson EFD

The Process Mate 5000 universal centrifuge removes trapped air from cartridge material before dispensing. That improves process control and markedly reduces waste. Adjustable speed and an electric brake keep cycle times short.

TECHNICAL DATA

Weight 0.1 kg

DESCRIPTION

The Process Mate 5000 universal centrifuge quickly removes air trapped in liquid materials packaged in cartridges. Spinning cartridges ahead of pneumatic or mechanical dispensing improves process control and reduces waste.

- Adjustable speed for low- to high-viscosity liquids
- Electric brake stops the rotor quickly and saves cycle time
- Standard holder for 30 cm³ cartridges, adapters for 3, 5 and 10 cm³ cartridges
- Cover safety interlock with switch-off when the lid is open
- Audible signal when the run has finished

TECHNICAL DATA

Model	Process Mate 5000
Manufacturer item no.	7015542
Manufacturer	Nordson EFD
Design	Class 1 desktop centrifuge
Rotor	fixed-angle rotor
Speed	adjustable
Cartridge sizes	3 to 30 cm ³ (with adapters)

For preparing air-entrapped cartridges before dispensing with pneumatic or mechanical dispensers.
