Sales unit	1 Stück
Size	XS
Weight	0.1 kg

STANDARDS & COMPLIANCE

ESD safe DIN EN 61340-5-1

DESCRIPTION

The Warmbier long-sleeve ESD polo shirt protects sensitive components in the electrostatic protected area by safely dissipating charges from the body. The dissipative cotton blend wears comfortably light and stays breathable across longer shifts.

BENEFITS

- Knitted blend fabric with woven-in conductive fibres for even dissipation
- Conductive knitted cuffs at the sleeves
- ESD logo on the sleeve for clear identification in the EPA
- Breathable and machine washable up to 40 °C

TECHNICAL DATA

- Model: 2649.P.XS
