Set of screwdriver with T-handle for TORX screws T10, T40, 6 pieces

TECHNICAL DATA

Weight

0.1 kg

DESCRIPTION

Long blade for use as a T-wrench. For high torque. The long blade provides good turning control and easy access to deep screws

- Screwdriver set with T-handle, 6 pieces, for TORX® screwdrivers with T-handle
- TORX®: T10, T15, T20, T25, T30, T40
- 2-component handle provides high comfort and reduces the occurrence of pressure points in the hand
- Markings on the handle for faster identification of the blade
- Burnished tip for greater accuracy and chrome-plated blade for maximum corrosion protection
- Long blade for use as a T-wrench. For high torque. The long blade provides good turning control and easy access to deep screws
- The short 90° blade is suitable for high torques or working in places with low height
- Integrated suspension eye
- Article number and blade size lasered onto the blade
- In blister pack

PRODUCT DETAILS

item number	WL53612
