

Bahco 2421V-160. Flat nose pliers, VDE insulated, 160 mm

Item no. WL54893

Manufacturer Bahco

Flat nose pliers, VDE insulated, 160 mm

TECHNICAL DATA

Weight

0.1 kg

STANDARDS & COMPLIANCE

IEC 60900 ISO 57453

DESCRIPTION

3-layer coating with different colours to indicate application safety: safe, dangerous or very dangerous. A fourth, black layer for additional protection of the grip edges

- Fire coated insulation
- 3-layer insulation, colour-coded for safety
- For work on live equipment up to 1000 V according to IEC 60900
- Tips for secure gripping and improved access to hard-to-reach areas
- Especially suitable for gripping flat material
- Main part made of high-performance steel alloy
- Chrome-plated, rust protection treated
- Standards: ISO 5745
- 3-layer coating with different colours to indicate application safety: safe, dangerous or very dangerous. A fourth, black layer for additional protection of the grip edges
- This offers protection and an optical warning system
- If the outer layer is damaged, the lighter colour underneath becomes visible and warns the operator

- Each tool is tested for 10 seconds at 10,000 V at the end of the production process

PRODUCT DETAILS

item number	WL54893
model	2421V-160
manufacturer	BAHCO
manufacturer item number	2421V-160
dimensions (LxWxH)	160 mm x 65 mm x 30 mm
order unit	piece
packaging mass	piece
VDE	yes
head width	16.5 mm
jaw thickness	5 mm
ESD safe	no
tool material	High performance steel alloy
type of pliers	flat nose pliers
