

## Knipex 72 62 200. Power flush cutter for soft metal and plastic, black atramentized, 200 mm

Item no. WL61679

Manufacturer Knipex

Power flush cutter for soft metal and plastic, black atramentized, 200 mm

### TECHNICAL DATA

Colour **Black**

Weight **0.1 kg**

### DESCRIPTION

For easy and flush cutting of soft metal or thicker profiles and components made of plastic. Power-saving cutting of even thick workpieces thanks to highly effective transmission mechanism with very low friction. Free space for the hands and flush cutting thanks to the 20° angled head with one-sided lug. Opening spring and locking mechanism integrated in the handles for comfortable working and safe transport. Precision cutting for soft materials. Long-lasting due to cutting edges inductively hardened to 59 HRC. - Cutting values soft wire (diameter): Ø 6.0mm

- Power-saving cutting of even thick workpieces thanks to highly effective transmission mechanism with very low friction
- Free space for the hands and flush cutting due to the 20° angled head with one-sided lug
- Opening spring and locking mechanism integrated in the handles for comfortable working and safe transport
- Precision cutting for soft materials
- Durable due to cutting edges inductively hardened to 59 HRC
