

LED Inspection Light 2-arm with protective glass, 600 mm arm length - Starlight IL12-600 2-arm

Item no. STL-100-010765

Manufacturer Starlight

Two-arm LED inspection light with two 600 mm semi-rigid arms and protective glass. The anodised aluminium housing provides low-shadow, protected light at the workplace.

TECHNICAL DATA

Weight 0.1 kg

DESCRIPTION

The IL12-600 LED inspection light from Starlight uses two semi-rigid arms of 600 mm each and a protective glass that shields the optics. The result is low-shadow, rugged illumination in an anodised aluminium housing.

BENEFITS

- Two semi-rigid arms with 600 mm reach each for low-shadow light
- Protective glass against dust and mechanical stress
- Rugged housing in anodised aluminium
- Protection class III for safe operation

TECHNICAL DATA

Model	IL12-600
Light type	inspection light
Feature	with protective glass
Number of arms	2
Arm length	600 mm
Material	anodised aluminium
Colour	black

Cable length	1.4 m
Protection class	III
Sales unit	piece
Manufacturer part no.	100-010765
ESD safe	no

APPLICATIONS

Suited to microscopy, laboratory, assembly and quality control where two arms and protective glass provide even, protected light.
