

Floor marking tape indoor/outdoor R11 red, 50 mm x 12.5 m - 1A Tapes WT-5845

Item no. 1AT-5845.01.050-12

Manufacturer 1A Tapes

Slip-resistant WT-5845 floor marking tape in red for indoor and outdoor use. With reflective R11 surface, self-adhesive, 50 mm wide and 12.5 m per roll, immediately ready to walk and drive on.

TECHNICAL DATA

Colour	Red
Country of Manufacture	China
HS-Code	39191019
Sales unit	Rolle 12,5 m
Weight	1.3 kg
Width	50

DESCRIPTION

The WT-5845 permanently marks routes and zones indoors and outdoors. The textured surface with R11 slip resistance and reflective microglass beads provides good visibility and secure footing, and the tape replaces time-consuming paint marking.

BENEFITS

- R11 slip resistance for secure footing
- Retroreflective surface for better visibility
- Usable indoors and outdoors, immediately ready to walk and drive on

TECHNICAL DATA

- Material: elastomer with fabric reinforcement, PU surface with microglass beads
- Thickness: approx. 1.6 mm
- Slip resistance: R11
- Colour: red
- Width: 50 mm
- Length: 12.5 m per roll
- Selling unit: 1 roll

NOTES

A primer is required for outdoor use. Recommended application temperature +15 °C to +25 °C.
