DESCRIPTION

All-in-one tool for cable cutting, round cable stripping and crimping of popular RJ45 plugs. Safely crimps shielded and non-shielded RJ45 (8P8C) Western plugs. With adjustable retaining latch, for all common RJ45 plugs with closed and non-closed housings. Accurate crimping due to parallel crimp and consistently high crimp quality due to positive lock (unlockable). Separate crimping point for strain relief (cable clip). Fast cutting and stripping of CAT cables due to high-quality blade. With ergonomic multi-component handles. For current and future Western connection technology in the network/Ethernet sector, Western modular connector with 8P8C assignment.
