0.1 kg

DESCRIPTION

The soft blue foam grips N3308 for the NT115 nano handle improve manual control during fine soldering and add comfort. Worn grips are easily replaced with the supplied fitters. The blue colour helps to mark and identify tools at the workstation.

BENEFITS

- Soft foam surface for a secure grip during delicate work
- Blue colour for marking and telling tools apart
- Damaged grips easily replaced with the included fitters
- Grip size 42 x 11 mm, matched to the NT115-A nano handle
