

## Articulated hand rest without base with right hand rest HRR, 205 mm height - JBC RHT-A

Item no. WL71769

Manufacturer JBC

Articulated hand rest without base that gives the hand a point of support close to the working zone, reducing fatigue during precision work. Supplied with the HRR right hand rest and a flange that screws to the workbench.

### TECHNICAL DATA

Country of Manufacture **Spain**

HS-Code **85159080900**

Weight **1.32 kg**

### DESCRIPTION

Placing components, soldering, picking with tweezers or feeding solder over long periods tires the unsupported hand. The JBC RHT-A supports the hand right next to the working zone and keeps it steady at a height of 205 mm, improving precision during fine operations.

### BENEFITS

- Point of support next to the working zone reduces fatigue during long soldering sessions
- Articulated arm with 498.1 mm reach positions the hand rest flexibly over the assembly
- Height of 205 mm brings the hand to an ergonomic working level
- Flange with shaft screws firmly to the workbench for a secure hold
- HRR right hand rest included, HRL left hand rest available separately for two-handed work

### TECHNICAL DATA

|                          |         |
|--------------------------|---------|
| Manufacturer             | JBC     |

| Manufacturer item number | RHT-A   |
| Net weight               | 1.32 kg |
| Gross weight             | 2.47 kg |
| Height                   | 205 mm  |

|                              |                    |
|------------------------------|--------------------|
| Arm length                   | 498.1 mm           |
| Packaging dimensions (LxWxH) | 474 x 368 x 195 mm |
| Order unit                   | set                |

## **APPLICATIONS**

Suited to precision work on electronic assemblies that requires a steady hand: component placement, soldering, picking with tweezers and solder feeding.

## **COMPATIBILITY AND SCOPE OF DELIVERY**

Scope of delivery: 1 flange with shaft and 1 HRR articulated right hand rest. For two-handed work, the HRL left hand rest is available.

Manufactured by JBC, Spain. Compliant with CE and RoHS.
