### DESCRIPTION

The H8036 tool holder keeps the tool safely in place when not in use and is part of the ATS stand. It fits the AT420 adjustable thermal tweezers.

### BENEFITS

- Secure hold of the handpiece in the rest, protecting the tip and the operator
- The metal top detects the tool and activates sleep and hibernation modes, extending tip life up to 5 times
- Position adjustable by turning the knob to suit your work position
- Exact fit for the ATS stand, direct replacement when worn
