

Tool holder H8410 for NAS stand - JBC 28410

Item no. WL71782

Manufacturer JBC

Tool holder H8410 for the JBC NAS stand that keeps the handpiece safely in the rest and designed for the NH high-precision heater hose set. The position adjusts by turning the knob to suit your work position.

TECHNICAL DATA

Weight **0.1 kg**

DESCRIPTION

The H8410 tool holder keeps the tool safely in place when not in use and is part of the NAS stand. It is designed for the NH high-precision heater hose set.

BENEFITS

- Secure hold of the handpiece in the rest, protecting the tip and the operator
- The metal top detects the tool and starts the cooling process once the stand is connected to the station
- Position adjustable by turning the knob to suit your work position
- Exact fit for the NAS stand, direct replacement when worn
